

DL29

Double Door Glass Lock

Available in several finishes

The DL29 Double Door Glass Lock is the newest addition to Kenstan's flagship K2 pull line. This is the perfect solution when drilling holes is not an option.

BENEFITS

- No hole required
- Lock two doors with one lock
- Insertable core feature
- No knob is required since lock has a keypull feature
- Available with vertical and inverted bolt
- 8 locks in 1 (keymatic)
